OBITUARY.

By the recent death of Mr. SAMUEL NICHOLLS we have lost one of our most esteemed and most stalwart supporters, as he was closely identified with the work of the Hospital during the whole 21 years of its existence.

He was one of the original Founders, one of the original Trustees, and for many years past he has also been a Vice-President.

His loss will be severely felt not only on account of his generous financial support, but also because of the kindly interest which he always evinced in all our doings, an interest which, in spite of his great age, continued to the very end of a long and useful life.

FOREWORD.

This Report differs somewhat from its predecessors in that it records the completion of the 21st year of the life of the Hospital.

Our "Coming-of-Age" was celebrated by a most successful function which is described later in the Report.

It is interesting to study how far during this period the Hospital has provided for the needs of the area which it serves.

The district is a somewhat peculiar one; it is a large area judged by acreage, but with no great density of population in any one locality. For many years past there has been great activity in building, but the increase in population mainly comprises "owner occupiers" of small villa residences.

To meet the needs of the population it is necessary to make provision for two types of patients. Firstly, those who occupy the beds of the general wards and who pay a small contribution towards the cost of their maintenance whilst in Hospital, either direct, or through membership of Hospital Savings Associations or kindred societies; secondly, those who, while able to pay our very moderate charges for maintenance in private and semi-private ward beds, would be unable to sustain the greater expenses of a private nursing home.

It may safely be contended that owing to the progress in policy of periodical expansion and improvement, the Committee of the Hospital have been able to meet the gradually increasing needs of the district throughout the 21 years of its existence.

In 1913 it opened with accommodation for 21 resident patients, to-day we have a well-appointed building with 40 beds complete with all the usual requirements of modern methods; in fact, in the opinion of our inspecting officials the pitch of efficiency of our Hospital stands very high indeed.

This satisfactory state of affairs has only been brought about by the sustained efforts of all who both financially and actively have supported the Hospital during the past 21 years. To-day the need for such support is as great as ever. A glance at graph given on page 28 will show that the gap to be bridged each year between the patients' payments and the current expenditure still stands at about £2,500. Our President in his address at the last Annual General Meeting referred to the small number of annual subscribers in proportion to the number and circumstances of the population. The raising of the annual amount necessary to balance our accounts is a matter of grave anxiety and concern to those responsible for the finances and must depend to a very large extent on our List of Subscribers.

We appeal to all our many friends to do their utmost to increase our Subscription List and so help us to maintain the high reputation for good service to the community which our Hospital now holds.

GENERAL REPORT,

1933.

The following report is presented by the Hospital Committee for the year ending December 31st, 1933.

The total number of In-patients during the period was 889, distributed as follows:—Buckhurst Hill 264, Loughton 237, Chingford 207, Chigwell and Chigwell Row 23, Abridge and Lambourne 3, and 155 outside the area.

The general wards accommodated 717 cases, and the private and semi-private wards 172. Of these cases 825 were surgical and 64 medical.

288 non-resident cases received treatment at the Hospital without occupying a bed.

There were 213 accident cases (of which 76 came from outside the area) and there were 370 operations.

394 cases received X-Ray and electrical or massage treatment of which 40 were in-patients and 354 non-resident.

The skill and attention of the doctors gives rise to a continued confidence in the fact that the Hospital is indeed fortunate in its honorary medical staff; whilst the sincere tributes of former patients give ample evidence of the unfailing kindness and consideration of the Matron, Miss SLATER, Sister LANHAM, and all the Nurses.

The Committee wishes to express its appreciation of the help afforded by the following:—

The Consultants: E. ROCK CARLING, Esq., M.B.Lond., F.R.C.S. (Eng.); JOHN F. O'MALLEY, Esq., F.R.C.S.(Eng.); B. WHITCHURCH HOWELL, Esq., M.B., B.S.Lond., F.R.C.S.(Eng.); W. E. TANNER, Esq., M.S., F.R.C.S.(Eng.); A. PINEY, Esq., M.D., Hon. Pathologist;

The Honorary Solicitors: Messrs. THOS. J. TEE and C. W. TEE.

The Honorary Booking Agent for the Hall: Mr. KENWAY.

The Honorary Auditor: Mr. LEONARD G. CLARKE, F.C.A.

The Honorary Radiographer and Consulting Engineer: Mr. F. J. G. GILBERTSON, M.S.R., M.Inst.P., Grad.Inst.E.E., who has devoted much time and attention to the plant during the past year.

The Committee wishes to acknowledge with grateful thanks the following grants received during the year :—

				£	s.	d.
King Edward's Hospital Fund	215	0	0
Hospital Sunday Fund	30	0	0
Delmar Charitable Trust	10	10	0
Alexandra Day Committee	220	0	0

The organisation of the district for the Alexandra Rose Day Collections differed from the previous year in that the Chingford contribution was divided, that from South Chingford being sent direct to the Fund. In these circumstances the amount received reflects the greatest credit on those who so kindly organised the districts, Mrs. CROSS (Buckhurst Hill), Mrs. OWEN JONES (Loughton), Mrs. HASELGROVE and Mrs. GAIN (North Chingford), and Miss YOUNG (Chigwell).

The details of the collections received from the various Churches and Chapels (which amounted to a total of £80 13s. 8d.) are given on page 7, but in addition numerous Harvest Festival Offerings of fruit, flowers and vegetables were gratefully accepted.

The number of eggs given in response to the House Committee's Appeal surpassed all previous records.

Valuable assistance has again been afforded by promoters of Flower Shows, by Friendly Societies, Masonic Lodges, Toc H, Sports Clubs, Women's Institutes and other organisations.

The efforts of the Buckhurst Hill Ladies' Entertainment Committee have again been crowned with success and a sum of £146 7s. 2d. has been raised.

The Essex Strollers have most kindly provided three most successful entertainments for the benefit of the Hospital, which were enormously appreciated by full audiences.

The Third Annual Loughton Gymkhana was held and the promoters have handed over £69 15s. 10d. as a result of their efforts.

In Chingford the interests of the Hospital have been sedulously fostered by Miss H. M. MATHIESON as local Hon. Sec., and a contribution of £59 8s. 1d. has been made by the local Hospital Aid Society.

Flag Day was again most successfully organised and amounts collected in the various districts as follows :—

				£	s.	d.
Buckhurst Hill (Mrs. Bennett Wood)	46	16	5
Loughton (Miss Bosworth)	45	15	0
Chigwell (Miss Gould)	12	16	11

Making a total of £105 8s. 4d., the incidental expenses being only £8 8s. 3d.

Pound Week again showed a satisfactory result, details of which will be found on page 18.

The following miscellaneous gifts have been gratefully received by the Committee during the year. Nursing requisites from Mrs. IDE and Miss E. HOWARD. Crutches from Mrs. SAMPSON, and firewood from Messrs. F. HUDSON, PEACHEY and GANDER, and many other presents of Books, Magazines, Fruit, Flowers, etc.

For another year Mr. S. A. BENNETT has arranged for the tuning of the piano.

The third year of the " Help Yourself " sub-committee has been most successful. Thanks to the efforts of Mr. BENNETT (Chairman), Mrs. CROSS (Hon. Organising Sec.) and their helpers the excellent sum of £212 has been raised. Several members of the Committee most kindly helped in the distribution of the Magazine by providing cars.

The Directors of the Buckhurst Hill Trust, Ltd. (Buckhurst Hill Hall), have paid a dividend of 6 per cent. on the year and thus provided £60 for the Hospital.

The need for Letters for Convalescent Homes is very urgent. Many patients require a change of air on being discharged from hospital and are unable to obtain it except through the good offices of Members of the Committee and others. It would be an enormous boon if all Subscribers to such Homes who have Letters available would very kindly send them to the Matron.

Friends and Supporters are reminded that gifts in the form of vegetables, fruit, groceries and eggs are always most acceptable and that the collection of Tinfoil continues.

The " Coming-of-Age " of the Hospital was celebrated by a Garden Party on June 23rd, which attracted a large number of former patients and friends, over 500 guests being present. The special thanks of all who enjoyed a most successful afternoon are due to Mr. WILLIE SMITH, who provided a Marquee, to the anonymous donor of the birthday cake, to those ladies who provided the tea, and to the Special Constabulary for their valuable help.

The advantages afforded by the Hospital in Private Ward accommodation is not perhaps so well known in the neighbourhood as its other activities. It is important that all local residents should realise the excellent facilities which are at their disposal at a very moderate cost, as an alternative to accommodation in much more expensive private Nursing Homes. Few suburban districts are so well served in this respect, and for this reason alone, the funds of the Hospital deserve the support of a greatly increased number of annual subscribers, which, it is earnestly hoped, will be forthcoming during the ensuing year.

FURTHER METHODS BY WHICH TO HELP THE FOREST HOSPITAL.

Charitable gifts are subject to Income Tax, but if made under the special arrangements the Hospital can reclaim.

- (1) **“Endowment Subscriptions.”** By payment to the Hospital of a capital sum in lieu of annual subscription. This has the advantage of saving Income Tax on annual income and the amount so saved can be used to give a further help to charity—also the income can be acknowledged by the Hospital as the donors annual subscription during life, and afterwards the capital sum applied to Hospital maintenance.
- (2) **“Limited Subscriptions.”** By promising to pay a fixed sum yearly for seven years or for life, whichever is the shorter. The Hospital can claim the return of Income Tax on such subscriptions. Special forms for this purpose can be sent to subscribers on application to the Hon. Treasurer.
- (3) **“Trust Donations.”** Another way is to create a “Trust Fund” by putting a capital sum into trust for charity. The interest thereon is under the control of the donor, which he gives to charity, and the capital can be willed to such charities as the donor may wish. By this plan the donor can take an interest year by year in its disposal, and at the same time increase the amount subscribed, because where a subscriber previously gave £10 he could give £13 6s. 8d. by adding the saving of Income Tax £3 6s. 8d. In addition to the increased subscription made possible by the saving of Income Tax, where the donor is a Sur-Tax Payer the subscription can again be increased by the amount of the Sur-Tax thereon. Death duties are not chargeable.

The advantage to the donor is that he legitimately escapes a portion of Income Tax by parting with sufficient capital to produce his annual subscription, and to the charity which accepts the capital and gains a perpetual endowment. The Hospital is free from Income Tax, and recovers it if deducted before receipt of income.
